## Application Leading Tool for RX Revised

We have revised the Application Leading Tool for RX from V1.01.00 to V1.02.01.

---

### 1. Description of Revision

The following MCUs have been added to the support line:

- RX64M group of MCUs (RX family)

As a result, the MCUs supported by the V1.02.01 product are as follows:

- RX64M group of MCUs (RX family)
- RX110 group of MCUs (RX family)
- RX111 group of MCUs (RX family)

### 2. Updating Your Product

Download the installer of the product from the following URL:

[https://www.renesas.com/applilet\\_download](https://www.renesas.com/applilet_download)

The installer will be published on this site on July 7, 2014.
