

RENESAS TOOL NEWS on December 16, 2014: 141216/tn1

e2 studio, Eclipse open-source based Integrated Development Environment has been revised from V3.1.2.09 to V3.1.2.10

e2 studio integrated development environment (IDE) has been revised from V3.1.2.09 to V3.1.2.10

For an overview of the product, see the following page:

<https://www.renesas.com/e2studio>

1. Product and Versions Concerned

- e2 studio V3.1.0.24 through V3.1.2.09

You can check the version number of your e2 studio in the dialog box opened by selecting "About e2 studio" from the "Help" menu of the e2 studio.

Note: The online updating contents remain available for any revisions of e2 studio V3.0, not limited to the concerned versions mentioned above.

2. Description of Revision

The specific issues for in-circuit emulator IECUBE with RL78 devices have been fixed.

Details are described in the Release note of this version:

https://www.renesas.com/e2studio_document

This Release note will be published on Dec 16, 2014.

3. Updating Your Product

Online updating is available free of charge.

Select "Check for Updates" from the "Help" menu of the e2 studio to find available update(s) of your e2 studio.

This service will be available from Dec 16, 2014.
